

Supporting families in the Easter school holidays

23 March 2021

This leaflet is for parents and carers of children aged 5 to 16 years who live in South Gloucestershire. It includes information about the organisations that will be running holiday activities and food schemes during the school Easter holidays 5th - 16th April.

The following schemes are supported by South Gloucestershire Council through funding from the Department for Education. All places on these schemes will be **free for children eligible for free school meals**. Most of these schemes also have options to pay and attend as well. All eligible children attending will be provided with a **free lunch**.

All activities listed below have been risk assessed by the provider and they will all have received guidance and training from the South Gloucestershire Public Health local outbreak management team, in line with current government guidance which covers Covid secure risk measures. They are also required to have the necessary DBS checks and have demonstrated to us that they have supported the delivery of effective holiday programmes in the past.
