When your child starts school in September they will initially be taught in smaller groups (either Group A or Group B) to support a smooth transition. Both groups will spend equal amounts of time getting to know their classroom, teacher and peers. We will also be using these groups for the stay and play sessions. **Your child in Group B.**

During the first week, the class teacher and teaching assistant will carry out home visits to meet your child in the place where they feel most comfortable. This will provide you with an opportunity to ask any questions you may have and for us to give you any additional information. You will receive information on how to book your session via Dojo and at the initial stay and play session.
